Pondicherry, the 21.5.1990

DIRECTION ISSUED BY THE REGISTRAR OF CO-OPERATIVE SOCIETIES
UNDER SECTION 81(1) OF THE PONDICHERRY CO-OPERATIVE
SOCIETIES ACT, 1972

Sub: Primary Co-operative Milk Producers Societies – Improper maintenance of accounts and retention of heavy cash balance – Proper functioning of co-operative milk producers societies – Direction – Issued.

Instances have been brought to the notice of the Department that most of the primary co-operative milk producers societies are not maintaining accounts properly and up to date and that Presidents of most of the societies are retaining heavy cash balance on hand and withdrawing cash from bank without any purpose when they are having sufficient cash balance on hand. It is noticed that repeated instructions/circulars issued to the co-operative milk producers societies in this regard have not been complied with by the Presidents of the primary co-operative milk producers societies.

WHEREAS the undersigned is satisfied that in the public interest and to secure proper management of the business of the societies and preventing the affairs of the societies being conducted in a manner detrimental to the interest of their members, it is necessary and expedient to issue directions to the Pondicherry Co-operative Milk Producers Union in order to enforce proper financial discipline on the functioning of co-operative milk producers societies.

NOW, THEREFORE, in exercise of the powers conferred on the Registrar under Section 81(1) of the Pondicherry Co-operative Societies Act, 1972, the undersigned hereby issues the following directions viz.:

(i) That the Managing Director of the Milk Union shall arrange and ensure that the Extension Assistants of the Milk Union inspect each of the affiliated primary co-operative milk producers society at least once in a fortnight to up-date the societies' accounts. A monthly report in this regard shall be submitted to the undersigned for necessary follow-up action.

(ii) The milk payments shall be made to primary co-operative milk producers societies only after ascertaining the cash balance of the society. If cash balance maintained is more than the prescribed limit, the milk payments shall be stopped till the society reduces the cash balance. A report in this regard shall also be submitted to the undersigned once in a month.

Dairy

The Managing Director, Pondicherry Co-operative Milk Producers Union is hereby directed to bring the contents of the direction to the notice of the committee of management and record the contents of the directions in the minute's books of the Milk Union and send a compliance report in this regard on or before 31.5.1990.
